OF

PRODUCTS QUALIFIED UNDER FEDERAL SPECIFICATION

AA-F-357

FILING CABINET, STEEL, LEGAL AND LETTER SIZE, INSULATED, SECURITY

This list has been prepared under the authority of the General Services Administration for use by or for the Government in the procurement of products covered by the subject specification and such listing of a product is not intended to and does not connote indorsement of the product by the Federal Government. All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. This list is subject to change without notice; revision or amendment of this list will be issued as necessary. This listing of a product does not release the supplier from compliance with the specification requirements. Use of the information for advertising or publicity purposes is expressly forbidden, and such use will be grounds for removal of the product so advertised from the list. The manufacturer's plants, and addresses, from which products have been qualified are listed herein. The activity responsible for this Qualified Products List is the Standardization Division, Federal Supply Service, General Services Administration.
