The General Services Administration authorized this list to identify products eligiblo for consideration in Federal Government procurement under the subject specification. The Government has qualified each product as meeting applicable requirements under the latest effective issue of the subject specification and has identified the source of each qualified by the name, address, and plant location of the manufactures. The listing of a product is not and endorsement by the Federal *Government and does* not release the supplier from compliance with specification requirements. The Government will revise, amend, *or cancel* this list as necessary, without prior notice, to *reflect* actions by the *Government or* the manufacturer requiring modification *or* discontinuancc of any or all of the information herein. The brand name designation under which the product is offered for sale *to the general* public is capitalized and enclosed in quotation marks in the Manufacturer's Designation *or* "BRAND NAME" column, provided *the* manufacturer or his authorized distributor has certified that the product submitted for qualification is *the same* product, except for packaging and marking, and is the *only* product available on the public market by that brand *name.* This information may be referred to for advertising or publicity only to stat. that the product or a particular manufacturing facility is listed and identified here, or that such product meets the requirements of the subject specification, *provided* that test results *are publicly* available to verify the statement, and provide further that such advertising *or* publicity does not claim or imply Government preference *or* ● *ndorsunt* or that the product is the only one *of its type that has passed* the prescribed tests.

The activity responsible for this Qualified Products List is the General Services Administration, Federal Supply Service, Furniture Commodity Center (3FNE), Washington, DC 20406.
