FEDERAL STANDARD STOCK CATALOG

Section IV

(Part 5)

FEDERAL SPECIFICATION
FOR
CLOTHS, TABLE; COTTON

This specification was approved on the above date by the Director of Procurement, for the use of all departments and establishments of the Government, and shall become effective not later than April 15, 1938. It may be put into effect, however, at any earlier date after promulgation.

A. APPLICABLE FEDERAL SPECIFICATIONS.

A-1. The following Federal Specifications of the issue in effect on date of invitation for bids shall form a part of this specification:

CCC-D-71 Damask, table; cotton (in bolts).
CCC-T-191 Textiles; test methods.

B. TYPES AND GRADE.

B-1. *Types.*—This specification covers six types, as specified in the invitation for bids, See F. S. CCC-D-71, Damask, Table, Cotton (in bolts).

B-2. *Grade.*—The grade shall be that known commercially as "firsts."

C. MATERIAL AND WORKMANSHIP.

C-1. *Material.*—The material shall be throughly cleaned cotton free from waste.

C-2. *Workmanship.*—The material shall be free from defects which affect its appearance, or which may affect its serviceability.

D. GENERAL REQUIREMENTS.

D-1. *Weave.*—The material shall be woven in attractive conservative patterns with selvedge edges. The patterns shall be selected from the manufacturers' sample book.

D-2. *Finish.*—The fabric shall be fully bleached and mercerized.

D-3. *Make-Up.*—The finished tablecloths, after hemming, shall be truly rectangular. The cut ends shall have a ¼-inch hem, uniform in width, which shall be stitched to prevent raveling.

E. DETAIL REQUIREMENTS.

E-1. *Sizes.*—The sizes shall be 54" x 54", 64" x 64", 72" x 72", etc., as specified.

!T THE LARGER SPECIFICATION BINDERS

E-2. *Construction.*—The construction shall be as shown in F. S. CCC-D-71, Damask, Table, Cotton (in bolts).

E-3. *Linting.*—Types, D, E, and F shall be finished with a compound which shall prevent linting after repeated washings, and which shall prevent the mercerization from losing its original luster and body.

F. METHODS OF SAMPLING AND TESTS.

F-1. *Sampling.*—Not less than one sample shall be taken at random from each 1,000 units or fraction thereof, except when the shipment is over 10,000 units, in which case a sample shall be taken from each one-tenth of the shipment.

F-2. *Testing.*—Federal Specification CCC-T-191, Textiles; test-methods of the issue in effect on date of invitation for bids, wherever practicable, shall be followed.

G. PACKAGING, PACKING, AND MARKING.

G-1. *Packaging.*—Unless otherwise specified, commercial packages will be acceptable under this specification.

G-2. *Packing.*—Unless otherwise specified, the material shall be packed in substantial containers, so constructed as to insure acceptance by common or other carrier, for safe transportation, at the lowest rate, to the point of delivery.

G-3. *Marking.*—Unless otherwise specified, shipping containers shall be marked with the name of the materials, the size, the type, quantity contained therein, the name of the contractor, and the number of the order.

H. REQUIREMENTS APPLICABLE TO INDIVIDUAL DEPARTMENTS.

H-1. The following departmental specifications of the issue in effect on date of invitation for bids shall form a part of this specification:

H-1a. *Army.*—U. S. Army Specification No. 100-2, Standard Specifications for Marking Shipments.

H-1b. *Navy.*—Navy Department General Specification for Inspection of Material. Copies of which and the appendix, may be obtained without cost upon application to the Bureau of Supplies and Accounts, Navy Department, Washington, D. C.

. NOTES.

I-1. It is believed that this specification adequately describes the characteristics necessary to secure the desired material, and that normally no samples will be necessary prior to award to determine compliance with this specification. If, for any particular purpose, samples with bids are necessary, they should be specifically asked for in the invitation for bids, and the particular purpose to be served by the bid sample should be definitely stated, the specification to apply in all other respects.

I-2. An index of Federal Specifications may be obtained upon application, as noted in the paragraph next below, price 10 cents.

I-3. Copies of this specification, and of CCC-D-71 and CCC-T-191 may be obtained upon application, accompanied by money order, coupon, cash, or check, to the Superintendent of Documents, Government Printing Office, Washington, D. C. Price 5 cents each.

I-4. Purchases of table damask in bolts should be made under Federal Specification CCC-D-71, Damask, Table, Cotton (in bolts).

Notice.—When Government drawings, specifications, or other data are used for any purpose other than in connection with a definitely related Government procurement operation the United States Government thereby incurs no responsibility nor any obligation whatsoever; and the fact that the Government may have formulated, furnished, or in any way supplied the said drawings, specifications, or other data, is not to be regarded by implication or otherwise as in any manner licensing the holder or any other person or corporation, or conveying any rights or permission to manufacture, use, or sell any patented invention that may in any way be related thereto.

For sale by the Superintendent of Documents, Washington, D. C. - Price 5 cents
