COMMERCIAL ITEM DESCRIPTION

SOCKS, COTTON

The General Services Administration has authorized the use of this commercial item description in lieu of Federal Specification JJ-S-566.

This commercial item description covers men's 100% cotton knit work socks, commercially known as half-hose.

Salient characteristics:

The socks shall be 100% cotton knit, nylon reinforced in the heel and toe with a leg length of 14-1/2 ± 1/2 -0 inches and a 5-1/2 ± 1/4 ribbed top.

The socks shall be available in commercial men's sizes 9 through 12. The color(s) and size(s) required will be specified in the contract or order. The use of dyes and compounds containing elementary sulfur capable of oxidation to sulfuric acid is prohibited.

The socks shall have a maximum shrinkage of 5%.

The size and fiber content shall be stamped on the foot of each sock and each pair secured together in accordance with normal commercial practice.

Certification. The contractor shall certify that the product offered meets the salient characteristics of this description, and that the product conforms to the producer's own drawings, specifications, standards and quality assurance practices and is the same product offered for sale in the commercial marketplace. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Recovered materials. The manufacturer shall utilize recovered materials to the maximum extent practicable.

Packaging, packing, and marking. The pairs of socks shall be packaged in accordance with normal commercial practice and packed in fiberboard boxes that will assure acceptance by common carrier and provide product protection against loss and damage during multiple shipments, handling and storage. The shipping container shall be in compliance with National Motor Freight Classification and Uniform Freight Classification. Marking shall be in accordance with the contract or order. The item name and any uncoded information describing nature, identity, style, color, and size of the contents shall not be marked on the shipping container.
