COMMERCIAL ITEM DESCRIPTION

DEODORANT, GENERAL PURPOSE (CAKES FOR URINALS AND TOILETS)

The General Services Administration has authorized the use of this commercial item description in preference to Federal Specification P-D-215.

Salient characteristics:

The product shall be of the following types and grades:

Type I - Cake, without holder
Type II - Cake, with holder

Grade 1 - Paradichlorobenzene
Grade 2 - Naphthalene

The type and grade specified in the procurement documents shall be furnished.

The grade 1 cakes shall be made of compressed paradichlorobenzene and perfume. The grade 2 cakes shall be made of compressed naphthalene and perfume.

The grade 1 cakes shall weigh not less than 4 ounces. The grade 2 cakes shall weigh not less than 3 ounces. (The volumes of the grade 1 and grade 2 cakes are the same).

- Holder (type II). The type II cakes shall be provided with a holder (or hanger) to permit the cake to be hung securely from the rim of toilet bowls. The holder shall be made from a material such as aluminum or plastic which will not react with moisture to stain porcelain.

Wrapper. Each cake shall be completely wrapped and sealed to retard evaporation of the cake before use.

Nonvolatile material. The cakes shall contain no more than 0.5 percent nonvolatile material at 105° C.

Preservation, packaging, packing, labeling and marking. Preservation, packaging, packing, labeling and marking shall be as specified in the contract or order.

Note: Purchasers should state in the procurement documents the type and grade of cakes required.
