COMMERCIAL ITEM DESCRIPTION

BAG, OSTOMY

The General Services Administration has authorized the use of this commercial item description.

This commercial item description covers three sizes of a disposable karaya seal ostomy bag.

Salient characteristics:

The colostomy bag shall be a pouch with a karaya seal at opening in the following sizes:

Size 1	-	2 inch ID - 2-3/4 inch OD.
Size 2	-	2-1/2 inch ID - 3-1/4 inch OD.
Size 3	-	3 inch ID - 3-3/4 inch OD.

The bag shall be a sealed, disposable ostomy bag, with protective karaya seal ring suitable for post-operative wear over a stoma related to the colon or ileum for containing and disposing of ostomy discharge. The bag shall be compatible with commercially available colostomy-ileostomy bag belts.

The bag shall be fabricated of a suitable plastic material and shall have dimensions of approximately 9 inches (22.86 cm) long by 6-1/2 inches (16.51 cm) wide. The bag shall be provided with a plastic gasket on the top center back surface of the bag, a karaya seal shall be attached to this gasket. The gasket shall have a holed tab on each side for attachment of a colostomy-ileostomy bag belt.

Each unit package shall be supplied with instructions for use.

Workmanship. The ostomy bag shall be free from defects which detract from its appearance or impair its serviceability.

Unit. Package (PG). One package containing thirty ostomy bags of the size specified, constitutes one unit.

AMSC N/A FSC 6515

DISTRIBUTION STATEMENT A. Approved for public release; distribution is unlimited.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug and Cosmetic Act. If the product covered by this document has been determined by the U.S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.

Recovered materials. The offeror/contractor is encouraged to use recovered material in accordance with Public Law 94-580 to the maximum extent practical.

Preservation, packaging, packing, labeling, and marking. Unless otherwise specified, preservation, packaging, and packing shall be to a degree of protection to preclude damage to containers and/or contents thereof under normal shipping conditions, handling, etc., involving shipment from the supply source to the receiving activity, plus reshipment from receiving activity, and shall conform to applicable carrier's rules and regulations. Intermediate and exterior package quantities and labeling and marking shall be as specified in the contract and/or order.

NOTE: The following National Stock Number is covered by this document:

Size 1 - 6515-00-915-4159
Size 2 - 6515-00-851-0308
Size 3 - 6515-00-842-5023

Ordering data. Intermediate/exterior package quantities, labeling, and marking must be specified in the contract and/or order.
