Table 1, Belleville Spring Part Number: delete "M49450/3" and substitute "M81757/1-8B."

PAGE 9

Add the following note:

* "18. The cover strap mounting point shall be located 1 1/8±1/4 inch from the left (non-connector) edge of the cover measured after epoxy coating."

The margins of this amendment are marked with an asterisk to indicate where changes (additions, modifications, corrections, deletions) from the previous amendment were made. This was done as a convenience only and the Government assumes no liability whatsoever for any inaccuracies in these notations. Bidders and contractors are cautioned to evaluate the requirements of this document based on the entire content irrespective of the marginal notations and relationship to the last previous amendment.
