MIL-C-20301
21 November 1951

MILITARY SPECIFICATION

CELLULOSE ACETATE FOR USE IN
PROPELLENT POWDER

This specification was approved by the Departments of the Army, the Navy, and the Air Force for use of procurement services of the respective Departments, and supersedes the following specification:

Army 50-11-92
29 June 1939

This specification consists of this cover sheet and Specification 50-11-92, dated 29 June 1939, attached hereto, without modification.

When a request for this specification is received by a supplying activity it will be necessary to attach this cover sheet to the pertinent specification before issue.

Copies of specifications required by contractors in connection with specific procurement functions should be obtained from the procuring agency or as directed by the contracting officer .
