Check the source to verify that this is the current version before use.

Notes:

1. Dimensions in inches. Unless otherwise specified, tolerances decimals ± .016.

2. Remove all burrs and sharp edges.

3. Material:

   Shell and swivel seat plate brass, specification ASTM-B16/B16M.

4. Finish:

   Permanent non-flaking yellow lacquer external surface of cap.

5. For acceptable products, see QPL-5500.

6. Reference to international standardization agreement deleted.

7. This standard takes precedence over documents referenced herein. Referenced documents shall be of the issue in effect on date of invitations for bid.

8. Amendment notations. The margins of this specification are marked with vertical lines to indicate modifications generated by this amendment. This was done as a convenience only and the Government assumes no liability whatsoever for any inaccuracies in these notations. Bidders and contractors are cautioned to evaluate the requirements of this document based on the entire content irrespective of the marginal notations.
