5.2.2.1.1 Size 1. Delete the paragraph in its entirety and substitute the following: "5.2.2.1.1 Size 1. Immediate containers for size 1 shall comply with the following: Twenty-five (25) tablets shall be packaged in a commercially available, blister or continuous roll strip package. Each tablet shall be sealed in its own pocket and so designed that the end pocket can be removed and the seal on the adjoining pocket shall not be disturbed. The individual pockets shall be consecutively numbered from one (1) to twenty-five (25). One roll of twenty-five tablets shall be contained in a carton (box). The numbers on the strip package roll shall be in reverse order so that the first pocket removed shall be number twenty-five (25) and the second number shall be twenty-four (24), etc. Ten such packs shall constitute the unit of issue."
