MIL-L-17186 (BUORD)
AMENDMENT 1

20 October 1958

MILITARY SPECIFICATION

LEAD STYPHNATE, NORMAL (COMMERCIAL GRADE)

This amendment forms a part of Military Specification MIL-L-17186 (BUORD), 14 May 1952.

Change symbol from "MIL-L-17186 (BUORD)" to "MIL-L-17186 (NOrd)."

Page 2, paragraph 3.2: Delete entire paragraph and substitute the following:

"3.2 Crystal Form. - The material shall consist of the discrete crystals of the monoclinic system in which the longest axis is no greater than three times that of the next longest axis. Hexagonal plates are acceptable."

FSC 1375
