*Paragraph 3.3.3, delete in its entirety and substitute the following: "3.3.3 Painting. A minimum of one coat of primer and two coats of finish paint shall be applied where painting is specified.

WARNING

Provide adequate ventilation during painting/priming operations and when using the specified adhesives. Do not use/apply in confined space without approved respiratory protection. Avoid prolonged or repeated skin contact."

*Add the following paragraph:
"3.4 Specification sheets. The individual item requirements shall be as specified herein and in accordance with the applicable specification sheets. In the event of any conflict between requirements of this specification and the specification sheets, the latter shall govern."

*Paragraph 4.1, delete in its entirety and substitute the following:
"4.1 Responsibility for inspection. Unless otherwise specified in the contract or purchase order, the contractor is responsible for the performance of all inspection requirements as specified herein. Except as otherwise specified in the contract or purchase order, the contractor may use his own or any other facilities suitable for the performance of the inspection requirements specified herein, unless disapproved by the Government. The Government reserves the right to perform any of the inspections set forth in the specification where such inspections are deemed necessary to assure supplies and services conform to prescribed requirements."
