machine rests. All operating controls must be readily accessible. This precludes any controls on the back of the machine.

Keyboard. Unless otherwise specified, the typewriter shall be equipped with the manufacturer's standard elite type style, complete with upper and lower case characters. The keyboard shall have a minimum of 44 keys and 88 characters. The arrangement of the 44 basic printing keys shall be in accordance with ANSI Standard No. X4.23 for Typewriter Keyboard Arrangement.

Size. Typewriter size shall be as specified in the procurement documents. Minimum capacities for paper width and print line width shall be as stated in TABLE I. Carriages furnished shall not accept platens larger than the size specified.

TABLE I

Paper Width and Print Line Width
(Minimum Capacities, Millimeters (inches)

SIZE	Paper Width	Print Line Width
1	388 (12.5)	305 (12)
2	368 (14.5)	356 (14)
3	445 (17.5	432 (17)
4	597 (23.5)	584 (23)

Identification. Each typewriter shall have the manufacturer's serial number and name or trademark permanently and legibly stamped or affixed on a major component in a readily accessible location.

Workmanship. Typewriters shall be clean, free from faulty construction or any defects which may effect either appearance, serviceability or durability or constitute a hazard to the user.

Regulatory requirements. In accordance with Section 23.403 of the Federal Acquisition Regulations, the Government's policy is to acquire items composed of the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition without adversely affecting performance requirements or exposing supplier's employees to undue hazards from the recovered materials.

Preservation, packaging, packing, labeling and marking. The preservation, packaging, packing, labeling and marking shall be as specified in the contract or purchase order.

ANSI Standard X4.23 is available from the American National Standard Institute, 1430 Broadway, New York, NY 10018.

Military Standards 461, 462, 463 are available from DODSSP, Standardization Document Order Desk, 700 Robbins Avenue, Bldg 4D, Philadelphia, PA 19111-2978.
