Add the following new paragraph:

"4.1.1 Responsibility for compliance. All items must meet all requirements of sections 3 and 5. The inspection set forth in this document shall become a part of the contractor's overall inspection system or quality program. The absence of any inspection requirement in the document shall not relieve the contractor of the responsibility of assuring that all products or supplies submitted to the Government for acceptance comply with all requirements of the contract. Sampling in quality conformance does not authorize submission of known defective material, either indicated or actual, nor does it commit the Government to acceptance of defective material."

4.3: Delete and substitute:

"4.3 Certification compliance examination. Certifications, certified test reports, or listing marks for codes and standards, as applicable, submitted in accordance with 3.2, shall be examined and validated as proof of compliance. Prior to Government approval of first shipment the contractor shall submit to the contracting officer or his authorized representative for approval, certification that the food preparation tables he proposes to furnish meet the applicable requirements of NSF as follows:

4.3.1 National Sanitation Foundation (NSF). Acceptable evidence of meeting the application requirements of the National Sanitation Foundation Standard No. 2 specified in 3.2 shall be one of the following:

a. A listing in the current edition of the National Sanitation Foundation "Listing of Food Service Equipment" and display of the NSF seal on the food preparation tables.
