Title: PRESERVATION AND PACKING DATA

Number: DI-PACK-80120B
AMSC Number: N7293
DTIC Applicable:
Office of Primary Responsibility: NAVY-AS
Applicable Forms: DD FORM 2326
Approval Date: 19980406
Limitation:
GIDEP Applicable:
Use, Relationship: This Data Item Description (DID) specifics the required data and format of packaging data to be submitted for parts and equipment packaged by the contractor.

a. This DID identifies the format and content preparation instructions for preservation and packing data resulting from the work task described by 4.1 of MIL-STD-2073-1. The data must be prepared for common, selective, and special group items defined in MIL-STD-2073-1.

b. This DID is applicable whenever packaging data specified by appendix E of MIL-STD-2073-1 is submitted by contractors to the DOD contracting activity (packaging organization).

c. When packaging data is being generated by DI-ALSS-81529, do not use DI-PACK-80120.

d. When a Special Packaging Instruction (SPI) is required, the instruction shall be prepared in accordance with DI-PACK-80121B in addition to submitting information specified in this DID for special group items.

e. This DID supersedes DI-PACK-80120A.

Requirements:

1. Reference documents. The applicable issue of the document cited herein, including their approval dates any dates of any applicable amendments, notices, and revisions, shall be specified in the contract.

2. Content and format requirements.

2.1 Preservation and packaging data, DD Form 2326. Format shall be in accordance with DD Form 2326 and shall be completed as specified in Appendix E of MIL-STD-2073-1. Coding shall be in accordance with Appendix J of MIL-STD-2073-1

3. End of DI-PACK-80120B.
