40.2e, Delete the following:

"Linked ammunition shall be in a 50 round belt loaded into a magazine (feed box). The magazine shall be attached to the weapon and the gun charged. The cartridges shall be fired in a 50 round burst. The next magazine shall be attached and the weapon charged. The cartridges shall be fired in short (5 to 7 round) bursts..."

Substitute:

"Linked ammunition shall be in 50-round belts loaded into the 200-round magazine (ammunition container). Up to four 50-round belts may be linked together with a dummy round between each belt and loaded into each magazine. The magazine shall be attached to the weapon and the gun charged. The first 50 rounds shall be fired as a single continuous burst. The following 50-rounds shall be fired in short (5 to 7 round) bursts..."
