FEDERAL STANDARD

LIGHT, DESK

AUTHORITY. This standard is issued pursuant to the Federal Property and Administrative Services Act of 1949, as amended, and its application to the purchase of commodities referred to herein is mandatory on all Federal agencies.

S1. Purpose and scope. The purpose of this standard is the establishment of a standard list of desk lights for use by all Federal agencies. This standard will keep the varieties of such lights which are to be procured and stocked to a minimum consistent with requirements.

S2. Application. Purchases from commercial sources under the applicable Federal specification, of the issue in effect on date of invitation for bids, shall be limited to the items which have characteristics conforming to the standard items specified herein. Existing Government stocks of items with other characteristics shall continue to be utilized until exhausted. In those cases where this Federal Standard eliminates supply items and the items so eliminated are under contract, if the contract cannot be negotiated or amended to the standard items, the Federal Standard becomes mandatory at the contract expiration date.

S3. Standard characteristics and item identification. The standard items with the Federal Stock Numbers shall conform to the characteristics listed below:

Fluorescent, Pedestal (W–L–310)
FSN 6230–643–2077—60 cps, color Brown

Incandescent, Flexible Column (W–L–311)
FSN 6230–643–2076—Type I, class 1.

Fluorescent, Swinging-Arm (W–L–312)—60 cps, 115/125 volts
FSN 6230–682–3423—Type I, color Grey
FSN 6230–299–7771—Type III, color Brown

S4. Changes. When a Federal agency considers that this standard does not provide for its essential needs, written request for changing or adding to the standard, supported by adequate justification, shall be sent to the Administration. This justification shall explain wherein the standard does not provide for essential needs. The request shall be sent in duplicate to the General Services Administration, Federal Supply Service, Standardization Division, Washington, D. C., 20406. The Administration will determine the appropriate action to be taken and will notify the agency.

S5. Conflict with referenced specifications. Where the requirements stated in this standard conflict with any requirement in a referenced specification, the requirements of the standard shall apply. Nature of conflict between the standard and the referenced specification shall be submitted in duplicate to the General Services Administration, Federal Supply Service, Standardization Division, Washington, D. C., 20406.
