Fed. Std. No. 267
CANCELLATION
January 2, 1976

LADDERS, STRAIGHT

This cancellation was approved by the Commissioner, Federal Supply Service, General Services Administration.

Federal Standard 267, dated October 11, 1967, is hereby canceled. Research indicates that no Government agency expresses any interest in the document, and that no use is being made of it under current procurement procedures.
