FEDERAL STANDARD

MOTION PICTURE FORMAT, SOUND, 16 MILLIMETER

Authority - This standard is issued pursuant to the Federal Property and Administrative Services Act of 1949, as amended, and its application to both 16 millimeter motion picture film and equipment is mandatory on all Federal Agencies.

S1. Purpose and scope. This standard establishes the picture format, sound format, and sound synchronization of 16 millimeter motion picture films which have been adopted to achieve the highest degree of uniformity and standardization for the Federal Supply System.

S2. Application. Specifications and procurement documents of 16 millimeter motion picture projectors and associated 16 millimeter film handling equipment shall specify that all such equipment shall be compatible with 16 millimeter film conforming to the requirements of this standard.

S3. Standard characteristics and item identification. The standard items, picture format, sound format, and sound synchronization of 16 millimeter films, shall conform to the applicable provisions of the following American National Standards of the issue in effect on date of invitation for bids.

American National Standards Institute, Inc., (ANSI) Publications:

PH 22.8	Dimensions of Projectable Image Area on 16mm Motion Picture Film.
PH 22.10	Specifications for Projector Usage of 16mm Motion Picture Film.
PH 22.41	Dimensions of Photographic Sound Record on 16mm Motion Picture Prints.
PH 22.112	Picture Sound Separation in 16mm Magnetic Sound Projectors.
PH 22.127	Dimensions of Magnetic Striping of 16mm Prints Having Magnetic Photographic Sound Records.

(Application for copies should be addressed to the American National Standards Institute Inc., 1430 Broadway, New York, NY 10018.)

S4. Changes. When a Federal agency considers that this standard does not provide for its essential needs, written request for changing or adding to the standard, supported by adequate justification, shall be sent to the Administration. This justification shall explain wherein the standard does not provide for essential needs. The request shall be sent in duplicate to the General Services Administration, Federal Supply Service, Mechanical and Electrical Division, Washington, DC 20406. The Administration will determine the appropriate action to be taken and will notify the agency.
