DATA ITEM DESCRIPTION
Title: REPORT OF MANUAL MANIFESTING ACTIVITY

Number: DI-MGMT-82475
AMSC Number: F10539
DTIC Applicable: No
Preparing Activity: 11 (AFIMSC/763d ESS)
Applicable Forms: N/A

Approval Date: 20250224
Limitation: N/A
GIDEP Applicable: No
Project Number: MGMT-2025-006

Use/relationship: The Report of Manual Manifesting Activity documents the status of the contractors' effort towards achieving contract objectives. It identifies the manual manifests inputted into Global Air Transportation Execution System (GATES).

This Data Item Description (DID) contains the format, content, and intended use information for the data deliverable resulting from the work task described in the solicitation.

Requirements:

1. **Reference Documents.** None.

2. **Format.** The Report of Manual Manifesting Activity shall be in Microsoft Excel format.

3. **Content.** The Report of Manual Manifesting Activity shall contain the following:
   a. Number of manifests entered into GATES for each location that does not have GATES capability or acceptable electronic capability for cargo and passenger manifesting. Each location shall be identified by Area of Responsibility (AOR), to include:
      1. Total tons of cargo manifested per location and AOR
      2. Total passengers manifested per AOR, including space required and space available passengers
   b. Number of manifests entered into GATES for each GATES-capable location during system unavailability, to include:
      1. Total tons of cargo manifested per location and AOR
      2. Total passengers manifested per AOR, including space required and space available passengers
   c. Number of manifests entered into GATES for each deployed Web GATES location supported, to include:
      1. Total tons of cargo manifested per location and AOR
      2. Total passengers manifested per AOR, including space required and space available passengers
   d. Cumulative totals of activities, identified above in 3.a through 3.c., throughout the current fiscal year.

END of DI-MGMT-82475.
