DATA ITEM DESCRIPTION

Title: Contractor's Training Mission Operations Program Plan

Number: DI-MGMT-82499
AMSC Number: N10595
DTIC Applicable: N/A
Preparing Activity: SH
Applicable Forms: N/A

Approval Date: 20250814
Limitation: N/A
GIDEP Applicable: N/A
Project Number: MGMT-2025-018

Use/Relationship: The Contractor's Training Mission Operations Program Plan will provide the government with the contractor's training mission operations program, how it is organized, how it will be conducted, and the interrelationships between other program plans. The principal use is to provide the government a basis and review, evaluation and monitoring of the program. The Contractor's Training Mission Operations Program Plan shall identify how the Contractor will successfully support training missions at all levels and ensure achievement of all training objectives.

This data item description (DID) contains the format and content preparation instructions for the data product generated by the specific and discrete task requirement as delineated in the contract.

Requirements:
