QUALIFIED PRODUCTS LIST

OF

PRODUCTS QUALIFIED UNDER MILITARY SPECIFICATION

MIL-S-20708

SYNCHROS, GENERAL SPECIFICATION FOR

FSC 5990

This list has been prepared for use by or for the Government in the acquisition of products covered by the subject specification and such listing of a product is not intended to and does not connote endorsement of the product by the Department of Defense. All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. This list is subject to change without notice; revision or amendment of this list will be issued as necessary. The listing of a product does not release the supplier from compliance with the specification requirements.

THE ACTIVITY RESPONSIBLE FOR THIS QUALIFIED PRODUCTS LIST IS THE NAVAL AIR SYSTEMS COMMAND (ATTENTION: COMMANDING OFFICER, NAVAL AIR ENGINEERING CENTER (SESD), (CODE 53), LAKEHURST, NJ 08733-5100).

NOTE: Pending qualification approval of products covered by MIL-S-20708 specification sheets not listed herein, or when suppliers of those products on the QPL are nonresponsive to procurement requests, the qualification requirement may be waived only by approval of the Preparing Activity. Synchros furnished under MIL-S-20708 shall be capable of meeting the qualification requirements, and procuring activities shall invoke First Article Inspection when waiver of qualification is approved. First Article Inspection shall consist of performance of all qualification tests of MIL-S-20708. Sample size and acceptance criteria shall be in accordance with MIL-S-20708 and the applicable specification sheet. A copy of the First Article Test data, as certified by the responsible government inspector, shall be forwarded to the qualifying activity.)

(See the last page of this QPL for full name, address and plant location of listed manufacturers. For manufacturers with multiple plant locations, specific plant locations are noted by parenthesized numerals alongside the manufacturer's name.

AMSC N/A
DISTRIBUTION STATEMENT A. Approved for public release; distribution is unlimited.

EXTENSION OF QUALIFICATION TO FAMILY OF PARTS

When Military Part Number M20708/X-01 (suffix letter) of any specification sheet is qualified, such qualification is extended to all other military part numbers listed on the same specification sheet for the same common synchro type designation.

MIL-S-20708/1, SYNCHRO, CONTROL TRANSFORMER, TYPE 11CT4E
