This list has been prepared for use by or for the Government in the procurement of products covered by the subject specification and such listing of a product is not intended to and does not connote indorsement of the product by the Department of Defense. All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. This list is subject to change without notice; revision or amendment of this list will be issued as necessary. The listing of a product does not release the supplier from compliance with the specification requirements. Use of the information for advertising or publicity purposes is expressly forbidden.

The activity responsible for this Qualified Products List is US Army Tank-Automotive Command, Warren, MI 48090

QPL-45334-6

GOVERNMENT DESIGNATION	MANUFACTURER'S DESIGNATION	TEST OR QUALIFICATION REFERENCE	MANUFACTURER'S NAME AND ADDRESS

As of 25 July 1983, no Types III, IV, V, VI, VII and VIII compressors have been tested and qualified under Military Specification, MIL-C-45334. Pending the inclusion of these types on the Qualified Products List, the qualification requirements (paragraphs 3.1 and 6.3) of the specification shall be waived for procurement of Type III thru VIII compressors. However, procuring agencies shall require first article inspection invoking examinations and test of specification. A copy of the first article test data, as certified to by the responsible Government inspector, shall be forwarded to the applicable qualifying activity.
