FSC 8010

ENAMEL, HIGH DIFFUSIVITY, LUSTRELESS, OLIVE DRAB

This list has been prepared for use by or for the Government in the procurement of products covered by the subject specification and such listing of a product is not intended to and does not connote indorsement of the product by the Department of Defense. All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. This list is subject to change without notice; revision or amendment of this list will be issued as necessary. The listing of a product does not release the supplier from compliance with the specification requirements. Use of the information shown hereon for advertising or publicity purposes is expressly forbidden.

The activity responsible for this Qualified Products List is

USAARDC, COATING AND CHEMICAL LABORATORY, ABERDEEN PROVING GROUND, MARYLAND 21005
